

You are cordially invited to a lunch to
celebrate the launch of a report on

South Africa's Technical Readiness to Support the Shale Gas Industry

This report assesses the *status quo* with regard to available technologies in South Africa, linking the findings with the needs of the shale gas industry, and makes important recommendations that would need to be considered if such an industry were to develop.

Date: 12 October 2016

Venue: Crystal/Garnet Room, CSIR
International Convention
Centre, Pretoria

Time: 13:00 – 14:30
