SAIS 2 INNOVATION FUND CALLING FOR PROPOSALS

The Southern Africa Innovation Support (SAIS) programme is a regional initiative that supports the growth of new enterprises through knowledge, networking and stronger innovation ecosystems.

The SAIS Call for Proposals in 2018 funds projects under three thematic areas, namely stronger ecosystems, scaling enterprises and inclusive innovations. The Call for Proposals opens on 12.3.2018 and is open until 25.4.2018. For more information, kindly visit: <https://www.saisprogramme.org/innovation-fund>. In case of any inquiries, contact info@saisprogramme.org.

We would greatly appreciate your support in raising awareness of this funding opportunity. Kindly see the templates for social media and blogs or newsletter inserts.

Twitter:

@SAISProgramme #InnovationFund is calling for proposals! Do you support #innovation and #entrepreneurship? SAIS funds projects under three thematic areas: Stronger #Ecosystems, Scaling #Enterprises and #Inclusive innovations. Check out www.saisprogramme.org for more information!

SAIS Innovation Fund funds projects strengthening the cooperation between public and private sector, research/academia and civil society in local and regional innovation ecosystems through three grants provided in three thematic windows: stronger ecosystems, scaling enterprises and inclusive innovations. Are you an innovation support organization from research/academia, civil society or perhaps from private sector such as an innovation hub, lab, incubator or accelerators? Do you support entrepreneurs and startups and have partners in the SADC region and beyond?

SAIS operates in Botswana, Namibia, South Africa, Tanzania and Zambia and by promoting projects with broader through partnerships it seeks with SADC Secretariat to cater the whole Southern African region and even beyond. By building capacity of innovation support organisations to support entrepreneurs through cross-border pilot projects, SAIS fosters linkages between ecosystems and coordinates regional knowledge sharing. For more information about SAIS and how to submit your proposal for the Innovation Fund, please visit www.saisprogramme.org.
